Circular No.16/2017

17.06.2017

To all Units, Office Bearers, CC & GC Members

Dear Comrades,

Strike in Coal Industry

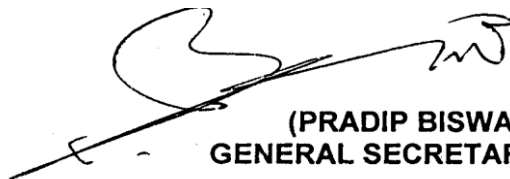

Workers and employees of Coal Industry will be **on strike for 3 consecutive dates from 19-21st June 2017** at the call of joint forum of Unions in the coal industry **opposing** privatisation move of the Central Government and **demanding** withdrawal of closure of 273 coal fields of the country and immediate commencement of negotiation for revision of wage agreement that has expired more than year back.

The strike is also against the contemplation of the Central Government to withdraw the social security benefits that were earned by them through struggles.

We extend our all out support to the struggle of coal workers and employees and call upon our units to join the solidarity programmes in different states where coal fields are there in association with our fraternal trade unions.

With greetings,

Comradely yours,

(PRADIP BISWAS)
GENERAL SECRETARY
