Circular No. 22/2018

To All Affiliates/Office Bearers/CC/GC Members

Dear Comrades,

Women Sub-Committee Meeting

1st meeting of the Women Sub-Committee since our all India 3rd Women Convention was held on 9th June 2018 at Yuba Kendra, Kolkata attended by a host of BEFI Office Bearers including the President and the General Secretary of BEFI. In the meeting, out of 12 (twelve) BEFI state units, 8 (eight) units were present. 12 (twelve) lady members took part in the discussions on the review note of all India 3rd Women Convention as well as the agenda note placed by the Convener in the meeting. After threadbare discussion a consensus was reached to put forward to BEFI Central Leadership some suggestions on organisation. Future programme was also chalked out, details of which are narrated below.

Suggestions:-

1. In all forums of BEFI like State Committee, Co-ordination Committee, District Committee, Bank-wise Committee etc. at least one lady member should be included.
2. Grooming the lady members in the leadership at different levels.
3. Proper initiative should be taken to form Women Sub-Committee in every State prior to the ensuing BEFI Conference. Appropriate steps must be taken to conduct Women Conventions in those Units who have not done so.
4. It is felt that in most of the State Units women are not involved in executive functioning of the bank wise Unions as well as State Federations. Effective initiative has to be taken at Bank and State Federation level for improvement.

Future activities:-

1. The lady members of every unit should join the campaign programme in connection with ensuing 10th National Conference of BEFI at **THIRUVANANTHAPURAM on 28th to 31st January, 2019**. The respective leadership has to look into this.
2. State Women Sub-Committee has to take separate campaign programme like, Street Corner, Postering, etc. on 10th National Conference of BEFI.
3. State Women Sub-Committees should involve their members in large numbers in the social and democratic mass movements in their respective States.
4. All State Units and Bank-wise Unions should ensure presence of a good number of lady members in the BEFI Conference and strive for some additional mobilisation in the women session of the Conference.

With greetings,

Yours comradely,

(Nupur Ray)
Convener.
