31st August 2018

To all Units, Office Bearers, CC & GC Members

Dear Comrades,

Struggle of Reserve Bank Employees and Officers

Employees and Officers of Reserve Bank of India, at the call of United Forum of Reserve Bank Officers and Employees, will observe **Mass Casual Leave** for two consecutive days on **4th and 5th September, 2018** demanding updation of Pension and improvement on other pension related issues on line with Central Government Pension Scheme.

Pension related issues, on which the Reserve Bank Employees and Officers are in the midst of struggle for quite a long time which is going to culminate in observance of mass casual leave, are common for the employees and officers of the banking industry as a whole. The struggle has relevance to the pending demands of United Forum of Bank Unions on pension related issues.

On behalf of our Federation we extend full support to and solidarity with the struggle of Reserve Bank Employees and Officers and hope that the united movement of almost the entire workforce in Reserve Bank will succeed in achieving their just and reasonable demand and their struggle will embolden the employees and officers in commercial banks to carry forward their struggle in resolving the pension related issues lying pending for long before Government and IBA combine.

We wish the struggle of Reserve Bank Employees and Officers all success.

With greetings,

Yours comradely,

(PRADIP BISWAS)
